The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board and its preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 (the “**Reporting Period**”), the Group is expected to record a loss of approximately HK\$3,438,000 as compared to a profit of approximately HK\$1,293,000 as recorded in the previous corresponding period ended 30 September 2023.

The Board considers that the expected loss was mainly due to the decrease in revenue in the Reporting Period. The decrease in revenue was mainly due to the decrease in the Group’s income from debt collection services which in turn was due to the slowdown in the domestic economy in the People’s Republic of China which in turn was reflected in the deteriorated repayment abilities of debtors, reduced repayment amounts and lengthened repayment cycles which lowered debt collection services income from successful recovered cases.
